WHAT CHANGED / WHERE TO FIND IT / HOW TO USE IT

Discover the new feature, find it in the app and follow the associated workflow.

Supplier price comparison

Compare corresponding offers and choose a suitable supplier.

What is new

Compare Prices groups matching products across suppliers and displays unit prices, supplier codes, price variance and orderable stock. NCC preference and alternate actions remain visible beside the offers.

Where you will encounter it

Supplier Stock → search product → **Compare Prices** → **View Offers**.

How it fits your workflow

Find the product → compare matching offers → check specification, pack and availability → **Order NCC** or **Order Alt** → review the pre-filled request.

Key action

Assess price and supply together. A lowest-price label does not confirm suitability or availability.

Side-by-side supplier comparison

Compare Prices brings matching supplier offers together, so you can assess price, availability and the supplier choice on the same product.

Where in the app

Supplier Stock → **Compare Prices** → **View Offers** on the matching product.

PRODUCT & INTERNAL SKU	NCC PREFERRED (DEFAULT)	LOWEST MARKET OFFER	PRICING VARIANCE
THY SCRUB PANT - M GREEN SKU: HSPG02 Theme Scrub-Bottom Pants 3 Suppliers	\$5.56 1,860 units avail.	\$5.56 via NCC Apparel Pty Ltd	\$0.00 Parity

SUPPLIER	SUPPLIER CODE	UNIT PRICE	VS NCC DEFAULT	NET ORDERABLE	ACTION
NCC Apparel Pty Ltd	HSPG02	\$5.56 (Lowest)	— (baseline)	1,860 units	Order NCC
Simba Global - Healthcare	3366SHPD	\$8.99	+\$3.43 (+61.7%)	2,070 units	Order Alt
Simba Global - Accommo...	3366SHPD	Quote on Req.	—	0 units	Order Alt

Expanded HSPG02 offers. Available stock only is off so the quote-required zero-stock offer is visible.

1

Search for HSPG02

Keep the product code in the search field.

2

Select Compare Prices

Leave **Genuine matches only** selected to focus on product groups with two or more suppliers.

3

Expand the product

Select **View Offers** to see each supplier's code, unit price, variance and net orderable quantity.

4

Choose a suitable offer

Use **Order NCC** for the preferred supplier or **Order Alt** for an exception that needs review.

Recorded offer	Unit price	Net Orderable	Decision cue
NCC Apparel	AUD 5.56	1,860	Preferred; stock available
Simba Healthcare	AUD 8.99	2,070	AUD 3.43 / 61.7% above NCC
Simba Accommodation	Quote required	0	Unpriced; no available stock

Expected result

Simba Healthcare is 61.7% above NCC: $(8.99 - 5.56) \div 5.56 \times 100$. Quote-required offers show no price variance. Only priced offers with positive orderable stock qualify for LOWEST.

Make the selection and continue the request

The comparison supports a supplier decision; the purchase still needs the normal request and approval steps.

Choose a suitable offer

For HSPG02, NCC is AUD 5.56 with 1,860 orderable units; Simba Healthcare is AUD 8.99 with 2,070. Prices come from the matched supplier report. Confirm current terms and supply before choosing an alternate.

After choosing the offer

- 1 Choose Order NCC or Order Alt**
The selected product and supplier pass into Create Request.
- 2 Review the request**
Check delivery site, customer or requirement, reason, quantity, price and each line's need-by date.
- 3 Explain an alternate choice**
Put the business reason in Additional Comments and follow the configured approval workflow. The alternate flag remains visible to the approver.
- 4 Check the total and submit once**
Check quantity × unit price, then GST and the final total. For NCC HSPG02 at AUD 5.56, 120 units produce AUD 667.20 excluding GST, AUD 66.72 GST and AUD 733.92 including GST.
- 5 Continue after approval**
Approval starts the 48-hour reservation window. Create the real Concur PR and use **Enter Request #** on the request detail screen to link it promptly.

If the comparison looks wrong

Cross-supplier comparisons depend on recorded product associations. Report the specific item and supplier if the code or specification does not match.
